DETAILED ACTION

1. This is the fifth office action in for the application 10/693,716, Post Protector, filed 10/27/03. This action is in response to Applicant's amendment filed 5/18/06, which contains claims 1, 8 and 9. Claims 2-7 had been previously canceled.
2. Claims 1, 8 and 9 are allowed.

REASONS FOR ALLOWANCE

3. The following is an examiner's statement of reasons for allowance:
One major difference in claims 1 and 9 not found in the closest prior art of Jacoby et al. (US 4, 088,229) is that Jacoby et al. does not teach a barrier positioned around and spaced away from all sides of the post providing a space between the barrier and the post to protect the base portion of the post from being struck by a moving object adjacent the support surface wherein the barrier defines an interior enclosure enclosing the post and provides a complete spacing of the barrier away from the post in combination with other limitations as recited in claims 1 and 9 which is not found in Jacoby et al. either singularly or in combination to anticipate or render obvious the above claimed limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
